COP 200. Introduction to Engineering Cooperative Education. 0 Hours

Introduction to Engineering Cooperative Education offers an academic course for students who wish to participate in the Engineering Cooperative Education Program. This course is designed to introduce students to the cooperative education learning model and how it is executed through the Engineering Cooperative Education Program. It will prepare students to maximize learning, and assist in the development of strategies and necessary skills for effective participation in the Engineering Cooperative Education Program. Prerequisite(s): EGR-102 and (CEE-101 or CME-101 or ECE-101 or EGR-101 or MEE-101 or SET-101).
