

# ASSISTANTSHIPS AND FELLOWSHIPS

---

A limited number of graduate assistantships are available in the College of Arts and Sciences and the Schools of Business, Education and Health Sciences and Engineering. These carry a stipend plus tuition remission for courses required in that degree. Graduate summer fellowships for research and creative activities during the third term are also available to graduate students who wish to devote that term to a research project.

Detailed information and application forms may be obtained from the chair or director of the desired graduate program.
