

GENERAL POLICY

The graduate tuition and charges of the University are set at the minimum permissible for financially responsible operation and, in general, these charges are less than the actual costs incurred. Gifts and grants received through the generosity of industry, friends and alumni help to bridge the difference between income and costs. The trustees of the University reserve the right to change the regulations concerning the adjustment of tuition and charges at any time the need arises and to make whatever changes in the curricula they may deem advisable.

Tuition, charges, room and board are to be paid in full before the term begins or in accordance with payment terms for the fall and spring semesters. Late registration charges are assessed when scheduling and registration are completed after the start of the term.

All checks should be made payable to the University of Dayton. The student's name and student identification number should be shown on the face of each check to insure proper credit.

An assessment of \$35.00 or 1% of the check amount (whichever is greater) will be made for payment by a returned check from any area at the University. This assessment is made each time a check is dishonored.

Registration for a new term, transcripts of credit, and honors of graduation may be permitted only for students whose University financial records are clear.
