The Common Academic Program (CAP) is the portion of the curriculum shared by all undergraduate students, starting with the entering class in 2013. It embodies seven UD learning goals: scholarship, faith traditions, diversity, community, practical wisdom, critical evaluation of our times and vocation. The courses challenge students and faculty to link aspects of their own lives, majors and careers to a broader world. Students’ unique learning experiences promote knowledge, skills and dispositions through engaging, developmental and integrated courses, and experiences that are necessary for 21st century graduates.
