

# STUDENT LIFE AND SERVICES

---

At the University of Dayton, you're not alone. And not just because you will make friends at every turn, but because our faculty, staff and community are eager to help you along your path. To guide you, advise you and even help you land a job after graduation.

As a Catholic, Marianist institution, our educational philosophy addresses the needs of the whole person: mind, body and spirit. You will find a plethora of offices that are here to support you every step of the way.
