Mission
The School of Business Administration is a learning community
committed in the Catholic and Marianist tradition to educating the whole
person and to connecting learning and scholarship with leadership and
service in an innovative business curriculum designed to prepare ethical
leaders for successful careers in a global business environment.

Through the curriculum and co-curriculum of the School, students
develop the ability to integrate learning across disciplines, apply the
theory they are learning to real business problems, and lead with ethics
and integrity. Success in business requires an understanding of human
values and the society in which business operates as well as mastery
of the various areas of business. For this reason, the undergraduate

• A firm grounding in the common body of business knowledge (core
  business requirements)
• Specialization in a business major
