To learn more about the available programs in the School of Engineering, explore the departments:

- Chemical and Materials Engineering (catalog.udayton.edu/undergraduate/schoolofengineering/programsofstudy/chemicalandmaterialsengineering)
- Civil and Environmental Engineering and Engineering Mechanics (catalog.udayton.edu/undergraduate/schoolofengineering/programsofstudy/civilandenvironmentalengineeringandengineeringmechanics)
- Electrical and Computer Engineering (catalog.udayton.edu/undergraduate/schoolofengineering/programsofstudy/electricalandcomputerengineering)
- Engineering Management, Systems, and Technology (catalog.udayton.edu/undergraduate/schoolofengineering/programsofstudy/engineeringtechnologymajors)
- Mechanical and Aerospace Engineering (catalog.udayton.edu/undergraduate/schoolofengineering/programsofstudy/mechanicalandaerospaceengineering)
