

# CO-OP EDUCATION

## Courses

### **COP 101. Cooperative Education or Internship Work Term 1. 12 Hours**

Engineering Cooperative Education or Internship Work Term 1. This is the first work term for either an engineering co-op or internship experience. This is for a full-time co-op or internship experience to be completed during the semester. This is a permissions-only course. Contact Engineering Cooperative Education Office for more information.

### **COP 103. Cooperative Education Work Term. 12 Hours**

This course is for non-Engineering majors enrolled in a undergraduate program and co-oping their first work term.

### **COP 120. Engineering Internship Work Term 2. 12 Hours**

Engineering Internship Work Term 2. This course is for students entering a second full-time internship experience, not returning to a previous employer, registered through the co-op office. Permission is required through the Engineering Co-op Office.

### **COP 130. Engineering Internship Work Term 3. 12 Hours**

Engineering Internship Work Term 3. This course is for students entering a third full-time internship experience, not returning to a previous employer, registered through the co-op office. Permission is required through the Engineering Co-op Office.

### **COP 140. Engineering Internship Work Term 4. 12 Hours**

Engineering Internship Work Term 4. This course is for students entering their fourth full-time internship experience, not returning to a previous employer, registered through the co-op office. Permission is required through the Engineering Co-op Office.

### **COP 150. Engineering Internship Work Term 5. 12 Hours**

Engineering Internship Work Term 5. This course is for students entering their fifth full-time internship experience, not returning to a previous employer, registered through the co-op office. Permission is required through the Engineering Co-op Office.

### **COP 200. Introduction to Engineering Cooperative Education. 0 Hours**

Introduction to Engineering Cooperative Education offers an academic course for students who wish to participate in the Engineering Cooperative Education Program. This course is designed to introduce students to the cooperative education learning model and how it is executed through the Engineering Cooperative Education Program. It will prepare students to maximize learning, and assist in the development of strategies and necessary skills for effective participation in the Engineering Cooperative Education Program. Prerequisite(s): EGR-102 and (CEE-101 or CME-101 or ECE-101 or EGR-101 or MEE-101 or SET-101).

### **COP 201. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 203. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 220. Engineering Cooperative Education Second Work Term with a Second Company. 12 Hours**

Engineering Cooperative Education Work Term 2 with a second company. This is the second work term for an engineering co-op experience returning to an employer after already completing two or more work terms with a different employer. This is for a full-time co-op experience to be completed during the semester. This is a permissions-only course. Contact the Engineering Cooperative Education Office for more information.

### **COP 230. Engineering Cooperative Education Second Work Term with a Third Company. 12 Hours**

Engineering Cooperative Education Work Term 2 with a third company. This is the second work term of an engineering co-op experience for a student returning to an employer after already completing two or more work terms with a different employer. This is for a full-time co-op experience to be completed during the semester. This is a permissions-only course. Contact the Engineering Cooperative Education Office for more information.

### **COP 240. Engineering Cooperative Education Second Work Term with a Fourth Company. 12 Hours**

Engineering Cooperative Education Work Term 2 with a fourth company. This is the second work term of an engineering co-op experience for a student returning to an employer after already completing three or more work terms with different employers. This is for a full-time co-op experience to be completed during the semester. This is a permissions-only course. Contact the Engineering Cooperative Education Office for more information.

### **COP 301. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 303. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 320. Engineering Cooperative Education Third Term with a Second Employer. 12 Hours**

Engineering Cooperative Education Work Term 3 with a second company. This is the third work term for an engineering co-op experience returning to an employer after already completing two work terms with a different employer. This is for a full-time co-op experience to be completed during the semester. This is a permissions-only course. Contact the Engineering Cooperative Education Office for more information.

### **COP 330. Engineering Cooperative Education Third Work Term with a Third Company. 12 Hours**

Engineering Cooperative Education Work Term 3 with a third company. This is the third work term of an engineering co-op experience for a student returning to an employer after already completing two or more work terms with different employers. This is for a full-time co-op experience to be completed during the semester. This is a permission-only course. Contact the Engineering Cooperative Education Office for more information.

### **COP 401. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 403. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 404. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 410. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 420. Cooperative Education Work Term. 12 Hours**

Cooperative Education Work Term.

### **COP 430. Cooperative Education Work Term. 6 Hours**

Part-time Cooperative Education Work Term. This course is for undergraduate international students ONLY who require CPT to work.

### **COP 501. Cooperative Education Work Term. 6 Hours**

Cooperative Education Work Term.

### **COP 502. Cooperative Education Work Term. 6 Hours**

Cooperative Education Work Term.

**COP 503. Cooperative Education Work Term. 6 Hours**

Cooperative Education Work Term.

**COP 504. Graduate Engineering Cooperative Education Work Term. 3 Hours**

Graduate Engineering Cooperative Education Part-time Work Term.

This course is for a graduate student who will be participating in a part-time cooperative education experience during the semester. This is a permissions-only course. Please contact the Engineering Office of Cooperative Education for more information.

**COP 505. Co-Operative Education Work Term 6 Hours. 6 Hours**

This course is for non-Engineering majors enrolled in a graduate program and co-oping their first work term.

**COP 506. Cooperative Education. 6 Hours**

This course is for non-Engineering majors enrolled in a graduate program and co-oping their second work term.

**COP 507. Co-Operative Education. 6 Hours**

This course is for non-Engineering majors enrolled in a graduate program and co-oping their third work term.
