

# UD SINCLAIR ACADEMY

The UD Sinclair Academy is a partnership between Sinclair College and the University of Dayton. Over eighty Academic pathways (<https://udayton.edu/academy/majors.php>) provide information on articulated courses and program details for over forty majors.

As part of the UD Sinclair Academy, a student would have access to University of Dayton benefits while taking classes at Sinclair. Students receive support from UD advisors and are eligible for enhanced financial aid packages upon official transition to UD. Access to UD student activities including clubs, fitness facilities, and athletic events are also included for Academy students.

For more information, visit the UD Sinclair Academy website (<https://www.udayton.edu/academy/>).

The content of the academic pathways below is guaranteed to transfer and apply for students admitted and began enrollment in the UD Sinclair Academy during 2021-2022 Academic Year.
