

FINANCIAL INFORMATION- UNDERGRADUATE

A University of Dayton education is a lifetime investment, appreciating over the course of time. It's also an excellent value, and more than 90 percent of undergraduates receive financial assistance. Our graduates possess the skills, knowledge and values needed for success in the ever-changing world.

At the University of Dayton, we want you to have a successful college experience and peace of mind regarding the cost of your degree. That's why we created a four-year approach to tuition with complete transparency (<https://udayton.edu/affordability/undergraduate/tuition-approach/>).
