

GLOBAL AND INTERCULTURAL AFFAIRS CENTER

Guided by our Marianist values, we provide leadership, strategic direction, coordination, and support for the internationalization and global learning of campus. In collaboration with other University departments, partners and communities, we offer innovative programs and services to enhance global and intercultural education, support student success, and promote diversity, equity and inclusion. Under the Office of the Provost, our areas include Global and Intercultural Learning (on campus, abroad, in the U.S. and virtual programming); Partnerships; Travel Risk Management; Intensive English Program; and International Student & Scholar Services.

Our values:

Inclusive: Demonstrate recognition of the value & contributions of all members of our diverse community

Adaptive: Open to new ways of learning and approaching challenges and opportunities

Innovative: Think creatively and take purposeful risks

Excellence: Promote quality and integrity in all aspects of our work

Collaborative: Work in a genuine team spirit with an emphasis on camaraderie, mutual respect, & humility
