# FLYERCARD

The FlyerCard is the official photo identification card at the University of Dayton. It provides access to meal plans, events, attendance tracking, and campus facilities. It can also be utilized as a debit card through the UD Flyer Express program. See more information regarding the Flyer Express program below.

## BEFORE YOU ARRIVE TO CAMPUS

Students are encouraged to upload a photo (headshot-style) for their FlyerCard prior to arrival on campus. Please upload your picture in .jpg format to My A (https://mycard.udayton.edu/)ccount (http://mycard.udayton.edu). You will login using your UD username and password. Once you have successfully logged in, click the "Submit ID Photo" option under the Menu on the left and follow the instructions.

The digital FlyerCard is a mobile version of your physical FlyerCard, allowing you to access campus buildings, make purchases, and use campus services—all from your smartphone and Apple watch. It offers a secure and convenient way to carry your card without needing to keep track of a physical one.

Your digital FlyerCard works just like the physical version, giving you tap-and-go access wherever FlyerCard is accepted.

**Flyer Express**

Flyer Express is an optional online, declining-balance account accessed with your FlyerCard.  It is a convenient way to pay for products and services on campus, as most of the campus venues are cashless. By adding funds to your Flyer Express account, your FlyerCard can be used for on-campus printing and vending, as well as at select off campus locations. You can view your transactions and the balance of your accounts by logging into your GET account (https://get.cbord.com/udayton/). The money in your Flyer Express account is carried over from one semester to the next and from year to year.

There are multiple ways you can deposit money onto your Flyer Express account. If you would like to use cash or check, please visit the Card Services Office in Kennedy Union room 125. If you prefer to use credit or debit, you can deposit money using GET (https://get.cbord.com/udayton/full/prelogin.php).

Visit our website (http://flyercard.udayton.edu/) for more information about Flyer Express.
