

ACADEMIC PROGRAMS

The SEHS offers four degree programs. The Department of Health and Sport Science offers three degree programs: Bachelor of Science in Health Science (BSHS), Bachelor of Science in Sport & Wellness, and Bachelor of Science in Nursing (BSN). The Department of Teacher Education offers the Bachelor of Science in Education Degree. Additional information specific to each department, including certificate and endorsement programs, may be found under the Programs of Study tab.

Department of Health and Sport Science

- Dietetics (<http://catalog.udayton.edu/undergraduate/schoolofeducationandhealthsciences/programsofstudy/healthandsportscience/>) (BSHS)
